**INVITATION to apply for United Nations Staff Officer Course
(UNSOC) at Swedish Armed Forces International Centre
(SWEDINT)**

1. Course dates & total number of seats

The course will be conducted at SWEDINT: 05 to 16 October 2026. There will be a maximum of 48 students.

2. Course purpose

The overall purpose of the UNSOC is to support the pre-deployment training efforts of troop Contributing Countries (TCC) by providing UNDPO standards training and thus ensure a common military approach to work at Force- and Sector level Headquarters in UN peace keeping missions. The course complies with the United Nations Staff Officers Special Training Materials (SO STM) 2024. The UNSOC at SWEDINT is accredited by DPO, UNHQ.

3. Course iterations

The UNSOC is an yearly event and will be repeated in 2027.

4. Target Audience

The UNSOC is intended for military personnel selected by UN Member States to be deployed as military staff officers in a UN Peacekeeping operation (OF 2 to 5). Military staff officers are required to have completed their basic national military staff course.

5. Learning objectives

After the course, the student will be able to:

- Given the relevant documents and materials, as a staff officer apply the UN Military Decision Making Process (UN MDMP) in a UN Force Headquarter or Sector Headquarter under normal operating conditions.
- Given the relevant documents and materials, explain in own words the need for cooperation between the military, civilian component, organisations or actors and police in the mission area.
- Given the relevant documents and materials, identify the planning requirements for preparation of plans for military operations contributing to protection of civilians.
- Given the relevant documents and materials, understand the need to include environmental management considerations into all aspects of military planning.

6. Method

UNSOC is a TWO-week course, consisting of lectures /syndicate discussions and map exercise. It is conducted partly together with the International Department of the Swedish Police Authority . During a final Scenario Based Exercise (SBE), coordination and cooperation among different branches within the headquarters and with other partners in a multidimensional/integrated mission will be practiced by the students in a Force or Sector Headquarters.

8. Student assessment

Assessment will be both Formative and Summative. The participants will be assessed based on three activities: During the course participants are required to answer “UNSOC course test” covering mainly CPTM and SO STM topics. Secondly participants are required to take active part in a syndicate seminar covering CPTM and SO STM topics. Finally participants are required to take an active part as a staff officer in the SBE. Based on the combined results participants are then assessed and graduated either with “Successfully completed” or “Participated”. A course certificate will be presented at the end of the course. *Take active part* means asking questions, presenting a stand point in debates and showing a willingness to explain it to fellow students and instructors.

9. Language proficiency

Students must be in command of English as described in NATO standardization agreement (STANAG) 6001³:

Listening Good (3), Speaking Fair (2), Reading Good (3), Writing Fair (2).

Language testing is a national responsibility.

No additional training or translation will be provided.

10. Computer skills

Basic computer skills are necessary. SWEDINT training and information management relies heavily on our computer information system

11. Security classification

The content of this course is: UNCLASSIFIED

12. Administration

a. Student Application

Student applications should be sent to SWEDINT **NLT 07 August 2026**. Nominations received later will however be considered, if space is available. The application form will be found at: www.mil.se/swedint *The application form, authorized and signed by the national authority/POC, has to be sent to SWEDINT via e-mail, mail or fax.*

³ STANAG 6001 can be found at www.natobilc.org. SWEDINT acknowledges that this standard may not apply to non-NATO states. It is however a reasonably good way of describing language skills.

b. Important information to national administrators etc:

It is important that the invitation itself reaches the student intended to participate in the course since it contains information that he/she needs in the application process.

c. Internet access before the course

Prior to joining the course at SWEDINT students will need access to internet in order to access documents that SWEDINT provides on its web page or through an online learning platform before the course starts, such as course curriculum, schedule, welcome letter, read ahead packages etc.

d. Point of Contact (POC)

In the application form the student should report a national point of contact (POC). The POC should be the Commander/ Branch that approves the application.

e. Student selection

If a nation has more students applying than slots available on the course, it is up to the applying nation to prioritize among its nominees. If this is not done, SWEDINT will select the students it deems most qualified.

If the nation is interested in sending a student to the course but does not initially have a name of the officer in question the nation can get a preliminary seat at the course in order to get the selection process started.

f. Course fees

The course fee is 12000 SEK per student (plus 25% VAT). This includes accommodation, all meals and transfer from and to Arlanda Airport in Stockholm/Sweden.

The course fee is a set price. Participants making their own accommodation/meal arrangements are not subject to a reduced course fee.

Information concerning payment and whether your nominee has been admitted to the course or not will be sent to you as soon as the procedure regarding applications is finalized, 5 weeks prior to the course start.

Regarding subsidies please see next section.

NORDEFECO students pay according to each nation's administrative regulations and according to the NORDEFECO agreement.

Swedish Armed Forces students pay according to the normal administrative regulations for domestic courses.

Salaries, allowances and travel costs are to be paid by national authorities of the sending nation in accordance with national regulations.

g. Subsidies

A limited number of subsidised student places may be available on request by the nominating nations, and will be decided on a case-by-case basis by the Swedish Armed Forces. It is important that the student fills in if he/she is applying for a subsidized course seat. If the subsidy box is not checked in the application form SWEDINT will assume that no subsidies are required.

Information about whether subsidy is granted, or not, will be given in the letter of admission that is sent out 5 weeks prior to the course start.

h. Accommodation

Single room accommodation is arranged for all course participants through SWEDINT at the Guards Regiment student hotel which is located within the military base. Students may also be accommodated by SWEDINT in nearby hotels outside the regiment. In that case transportation will be arranged by SWEDINT.

i. Dress code

Students need to bring their best uniform, daily working dress, clothes for PT as well civilian clothes for Swedish winter conditions. Self-service laundry facilities are available within the student's hotel.

b. Application procedure

The application form can be found on the Internet at www.mil.se/swedint. Click on “**Our Courses**” and then look for the Application form under “Documents”. When the application form has been filled in, authorized and signed by the national authority/POC, it should be sent to swedint@mil.se.

The course admin office will confirm receipt of the application. This does not mean that the student has been admitted to the course, it only confirms that the admin office has received the application.

The POC/Student will be notified at the latest between 5-6 weeks before the course starts whether or not the nominated student is admitted to the course. If admitted to the course, the POC/Student will receive a *Letter of Admission*, indicating further details and pre-course info needed. A copy of the Letter of admission will also be sent to the nation's embassy in Sweden.
