**INVITATION to apply for NATO Land Tactical Planning
Pilot Course 2021 in SWEDINT (Swedish International
Training Centre), Stockholm, SWEDEN**

**Svar före
2020-12-11**

1. Course purpose

The NATO Land Tactical Planning Course will teach planning based on APP-28 in a corps warfighting scenario. Headquarters Allied Rapid Reaction Corps (HQ ARRC) has been using APP-28 in planning since 2019 and will provide the instructors for the course. In the course they will also share their experiences from training to become end of 2020 certified as NATO warfighting corps in readiness.

2. Course iterations

NLTPC 21 (Pilot) in SWEDINT, Stockholm: 1-12 February 2021 – UNCLASSIFIED.

COVID-19

SWEDINT intention is to execute the Pilot NLTP course, if the situation allows. This includes the COVID-19 itself but also National regulations and change of priorities within SWEDINT / HQ ARRC. We will continue to update (potential) students, based on the dynamic situation.

3. Target Audience

The primary target audience consists of military staff officers (OF 2-5) or civilian equivalents who have been/will be appointed to positions where they will be involved in planning in tactical level HQs.

4. Learning objectives

To prepare the generic and functional tactical planners to contribute to the NATO Tactical Planning Process for Land Forces, either at Component Command, Corps, Division or Brigade level.

5. Method

Under the guidance of a lead instructor and supported by selected instructors and subject matter experts, this demanding and dynamic ten-day course simulates a tactical-level planning group moving through the NATO Tactical Planning Process for Land Forces. The curriculum is comprised of multiple short lectures, followed by practical exercises and back-briefs in syndicates (40% - 60%). The course includes formal briefs to a senior mentor who performs the role of a tactical commander

- Allied Procedural Publication APP-28, TACTICAL PLANNING FOR LAND FORCES
- HQ ARRC Tactical Planning Handbook APP-28/ Corps Planning Process v 1.3
- HQ ARRC Corps Planning Yardsticks edition 2.4

7. Student assessment

An examination is implemented in order to measure the students' progress during the course and ensure that the students have reached the specified performance objectives.

8. Language proficiency

Students must be in command of English as described in NATO Standardization Agreement (STANAG) 6001¹ at the following levels:

Listening: Professional (3)

Speaking: Professional (3)

Reading: Professional (3)

Writing: Professional (3)

Language testing is a national responsibility.

9. Computer skills

Basic computer skills are necessary. SWEDINT training and information management relies heavily on our computer information system

10. Security classification

The content of this course is: UNCLASSIFIED

11. Swedint policy on personal data

In order to get a seat on a course at SWEDINT you will be asked to provide personal data. In doing so you are also giving your consent to the processing and storing of your personal data for official use at SWEDINT. You will also be expected to clearly state to SWEDINT staff if you have any objections against appearing on course photos or have your data in course address lists etc.

12. Administration

a. Student Application

Student applications should be sent to SWEDINT **NLT 11 DEC, 2020**. Nominations received later will however be considered, if space is available. The application form and personal CV will be found at: www.mil.se. *The application form, authorized and signed by the national authority/POC, has to be sent together with the CV to SWEDINT via e-mail, mail or fax.*

¹ STANAG 6001 can be found at www.natoblc.org. SWEDINT acknowledges that this standard does not apply to non-NATO states. It is however a reasonably good way of describing language skill levels.

b. Important information to national administrators etc:

It is important that the invitation itself reaches the student intended to participate in the course since it contains information that he/she needs in the application process.

c. Internet access before the course

Prior to joining the course at SWEDINT students will need access to internet in order to access documents that SWEDINT provides on its web page before the course starts, such as course curriculum, schedule, welcome letter, application form etc.

d. Point of Contact (POC)

In the application form the student should report a point of contact (POC). The POC should be the organization that approves the application.

e. Student selection

If a nation/organization has more students applying than slots available on the course, it is up to the applying nation/organization to prioritize among its nominees. If this is not done, SWEDINT will select the students it deems most qualified.

If the nation/organization is interested in sending a student to the course but does not initially have a name of the officer in question the nation can get a preliminary seat at the course in order to get the selection process started.

f. Code of Conduct

Swedint places high demands on personal behavior and respect for others regardless of religion, ethnicity, gender or sexual orientation. The SWEDINT Code of Conduct is available for all to read on the students' network at SWEDINT. In case of violations of these simple rules SWEDINT reserves the right to exclude the student from the course leading to immediate repatriation.

g. Course fees

The course fee is SEK 6000/week and student. This includes board and lodging, and transfer from and to Arlanda/Bromma Airport in Stockholm/Sweden.

Information concerning payment and whether your nominee has been admitted to the course or not will be sent to you as soon as the procedure regarding applications is finalized, 5-6 weeks prior to the course start. Reference this course the earlier mentioned information and also the decision whether this course will take place due to the dynamic situation with regard to COVID-19 will be communicated NLT Friday 18 December 2020

Swedish Armed Forces students pay according to the normal administrative regulations for domestic courses.

Salaries, allowances and travel costs are to be paid by national authorities of the sending nation in accordance with national regulations.

h. Accommodation

Single room accommodation is arranged for all course participants through SWEDINT at the Life Guards student hotel which is located within the military base. Students may also be accommodated by SWEDINT in nearby hotels outside the regiment. In that case transportation will be arranged by SWEDINT.

i. Dress code

Dress code for the course is Battle Dress Uniform. For social events, students should bring civilian clothes (smart casual), and sporting clothes for PT. Laundry facilities are available at the student hotel, free of charge.

b. Application procedure

The application form can be found on the Internet at www.mil.se. Click on **Courses at SWEDINT and How to apply** and then look for Application form and CV under Related Documents. When the application form and CV has been filled in, authorized and signed by the national authority/POC, it should be sent to SWEDINT. The course admin office will confirm receipt of the application. This does not mean that the student has been admitted to the course, it only confirms that the admin office has received the application. The POC/Student will be notified at the latest between 4-6 weeks before the course starts whether or not the nominated student is admitted to the course. If admitted to the course, the POC/Student will receive a *Letter of Admission*, indicating further details of the course, and how to retrieve the pre-course info for the specific course on the SWEDINT website. A copy of the Letter of admission will also be sent to the nation's embassy in Sweden as well as to the Swedish Embassy in the applying country.
